HEARING OFFICER'S ACTION:

The South Carolina Public Service Commission Clerk's Office issued a Notice of Filing and Public Hearing on March 31, 2022 which set a hearing date of June 21, 2022 for the matter raised in Docket No. 2021-210-E. The Clerk's Office also issued a Prefile Testimony Deadline letter on March 31, 2022 – later reissued as revised on May 23, 2022 – which designated prefiled testimony due dates as follows:

Direct Testimony of the Applicant: May 9, 2022

Direct Testimony of All Other Parties and the Office of Regulatory Staff: May 23, 2022

Rebuttal Testimony of the Applicant: May 30, 2022

Surrebuttal Testimony of All Other Parties and the Office of Regulatory Staff: June 6, 2022

As of June 14, 2022, no testimony has been filed by any party in Docket No. 2021-210-E, and no witnesses have been identified for presentation at the scheduled June 21, 2022 hearing. As a result, in the interest of judicial economy, **the hearing scheduled for June 21, 2022 in the matter raised in Docket No. 2021-210-E is held in abeyance.**

This action is not dispositive as to the request of Clifton Power Company, but rather, only serves to stay the hearing date in this docket until further action of the Commission.
